

MEMO FROM THE CEO & PRESIDENT

Dear Friends,

On behalf of the Women's Charities, Inc. (501(c)3 non-for-profit organization) which powers the Women's Soccer Club, I'd like to personally welcome you here tonight to our annual St Paddy's High Stakes Charity Party at the Milwaukee County Zoo® in the Peck Welcoming Center. This event is our major fundraising effort. Please know that we greatly appreciate your support.

The WSC is the Women's Soccer Club. The WSC. With over 2000 members, we are the largest club of its kind in the nation. We play at all skill, age and experience levels.

But more importantly, we are not only a soccer club for women, but also a community. On and off the field, we are women helping women and families. Our programs help our women and those of theirs in need.

- The WSC promotes an emotionally and physically safe environment.
- We provide networking opportunities as well as promote team building and mentoring.
- We provide **many** opportunities for members in the WSC community to get involved and come to the assistance of families in the greater community of Southeast Wisconsin.
- We provide scholarship opportunities for those members in financial need.
- We provide opportunities and promote adult women's soccer affordably without regard to age, level of experience, skill level, race, national origin, sexual orientation, religion and socio-economic status.
- We foster mentoring to increase in self-esteem, self-confidence and self-acceptance through team building and positive peer role models at all levels.

By supporting the Women's Charities Inc., your support resonates throughout the community.

"I thought after college, I would not be able to play soccer in a competitive league. When I moved back to Milwaukee area to teach, one of my student's parents introduced me to the club. At the time, I was playing at a level that was not the best fit, but after talking to Ginny, she found me a team that was a great match for me. I have been playing with people who are both younger and older than me. It gives me hope to continue playing for many more years! I have introduced many of my friends to the WSC who would all agree that it is just fun to still be able to play competitive soccer!"
